- A. Welcome, Norms & Roll Call
 - a. 14:18-14:20 Chair welcomed everyone, reviewed norms and completed roll call.
- B. NCCAT Interim Assessment 14:21-15:03 Roseman
 - a. Overview of the two-year plan, we only have the data from 2018-2019 to go off of the past year due to COVID. Areas of opportunity, prioritized needs, positive statements, and where we are currently were spoken about. Scoring was done on the rubric.
 - b. Wellness update (15:04) Healthy food choices and lessons. We've been working to change up schedule for a full thirty-minute lunch. We have implemented lunch bunch twice a week, we want to increase students' amount of exercise. Consider doing the kids' heart challenge.
- C. School Data 15:10-15:26 Figgers
 - a. Rates are slightly higher than the district for chronic absenteeism. We are wanting MAP testing to be done for all students before winter break. We are not able to do wellness checks due to COVID.
- D. Budgets and Staffing 15:27-15:40 Roseman

- a. Recap from 14:54, spoke about the workbook and student supplies being approved, however they request is still being fully processed. Also, we may have to make some cuts to help fill to the deficit of 200 million
 - b. AT 15:31, spoke about the school reopening update (Roseman). They will start the transitioning with Kindergarten through 3rd grade, A and B days. Teachers will be tested monthly and temperatures will be taken daily.
